At times there are situations during travel and in the jungle where a moderate amount of physical exercise and dexterity are required. Do you have any physical limitations that should be considered?

There are also times when we are traveling in more remote areas that are a day's travel from a clinic. Do you have any medical conditions that should be known?

What are your goals or expectations of this trip?

Do you have any special talents or knowledge to share on this trip?

For volunteers working in a professional capacity, please give a brief background of your professional credentials and work.

Will you be doing any research on this trip? \_\_\_\_\_  
If yes, please give a brief outline of your subject and hypothesis.

What languages to you speak? Do you sign? \_\_\_\_\_

---

Do you expect to publish this research? \_\_\_\_\_

Will you need a letter of reference after the trip? \_\_\_\_\_

Do you have a sponsor? \_\_\_\_\_

If yes, who? \_\_\_\_\_

What is the approximate amount of time that you can volunteer? \_\_\_\_\_

If you are under 18, is there a parent accompanying you? \_\_\_\_\_
